

WorldSkills EuroSkills Hungary

Landscape Gardening

28 November 2022

WorldSkills

- 70 years of experience
- 84 member countries
- Vocational training is a basic principle in several countries

WorldSkills

- It is held every second year.
- Each country can nominate one competitor,
- accompanied by an expert.
- A competitor can compete in only one WorldSkills competition.
- Length of the competition: 4 days, of which the net competition time is 18-22 hours.

... and the way to get there

- Technician training since 2002
 - Hungarian gardening competitions since 2008
 - 2018 EuroSkills
 - 2019 WorldSkills
 - 2021 EuroSkills
 - 2022 WorldSkills
- + National Talent Program
+ High school adaptation
+ University education

Why should I...?

as a Competitor

- Professional experience
- Life experience
- Appreciation
- Adventures
- Languages

Why should I...?

as a Teacher, as a School

- More students ↗
 - External relations ↗
 - Long-term cooperation opportunities ↗
 - Motivation for students ↗
-
- „Give the world the best you have!”

Thank you for your kind attention!
